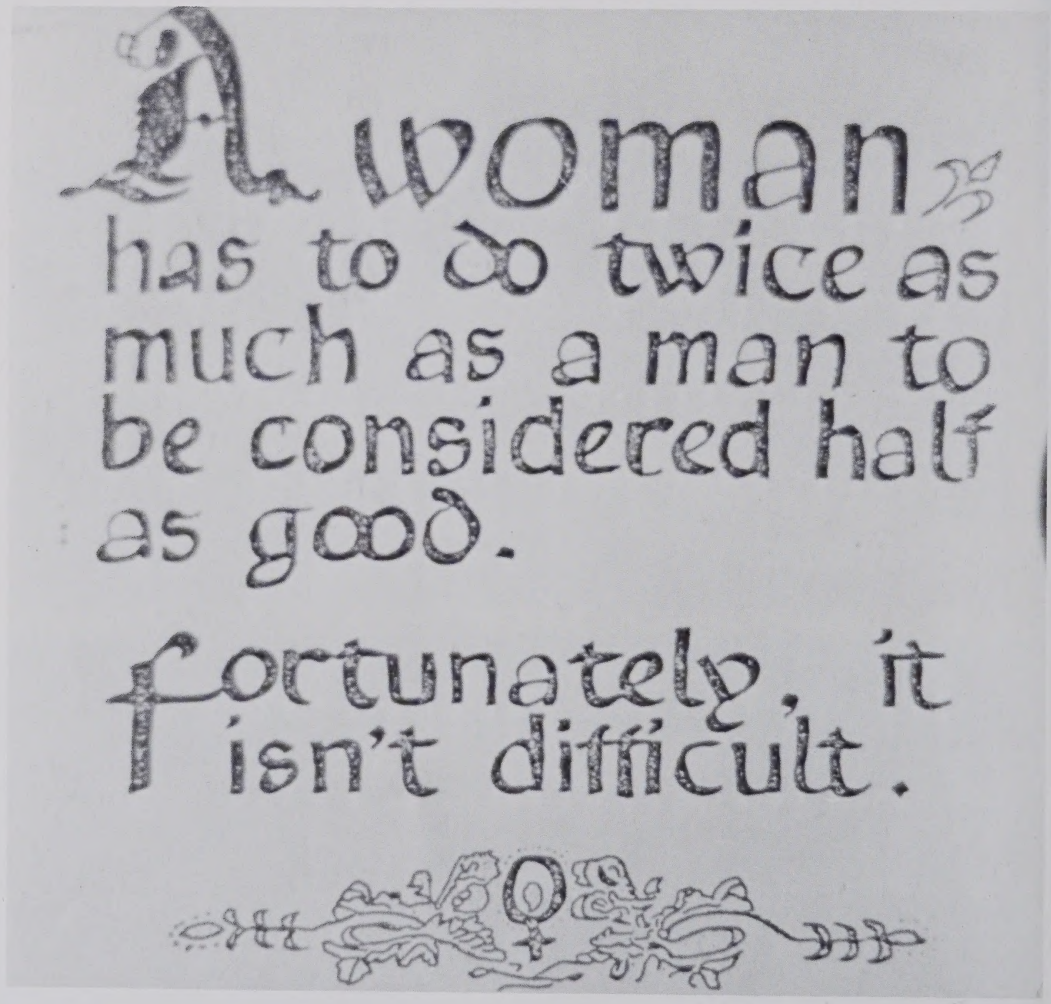
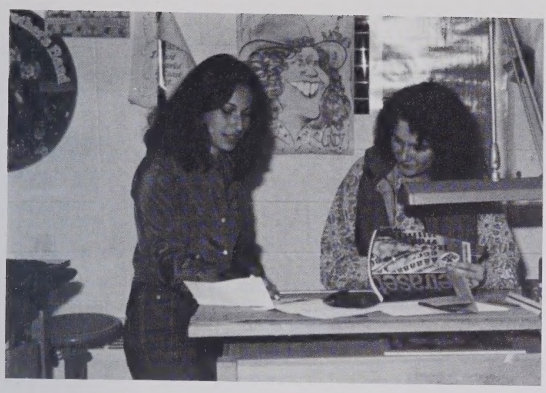
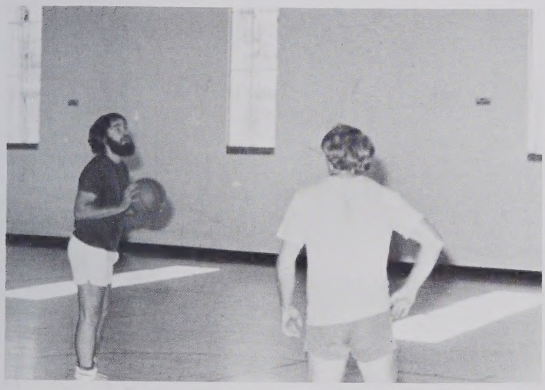
SOUTHWESTERN TECHNICAL COLLEGE

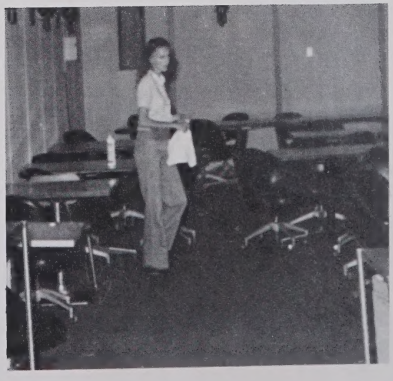
1980 OPEN DOOR



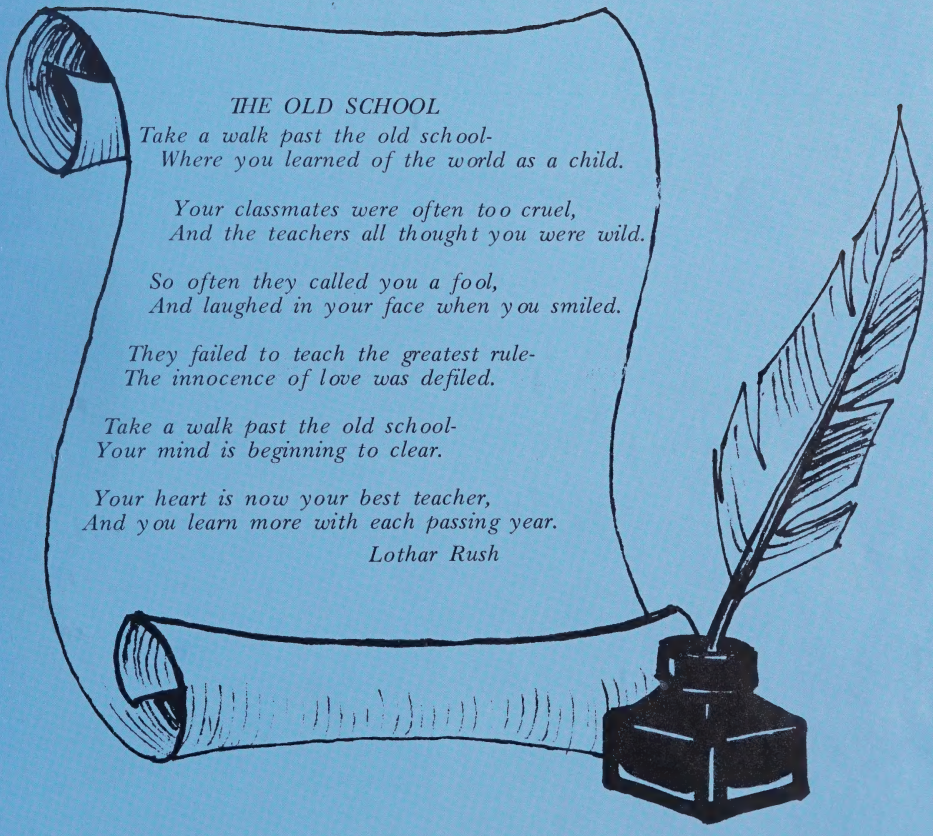
A woman has to do twice as much as a man to be considered half as good.
Fortunately, it isn't difficult.







SCHOOLHOUSE



THE OLD SCHOOL

Take a walk past the old school-
Where you learned of the world as a child.

Your classmates were often too cruel,
And the teachers all thought you were wild.

So often they called you a fool,
And laughed in your face when you smiled.

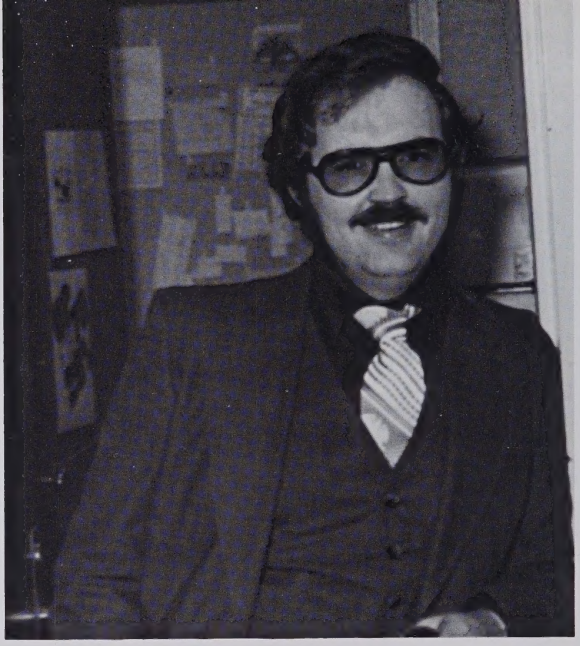
They failed to teach the greatest rule-
The innocence of love was defiled.

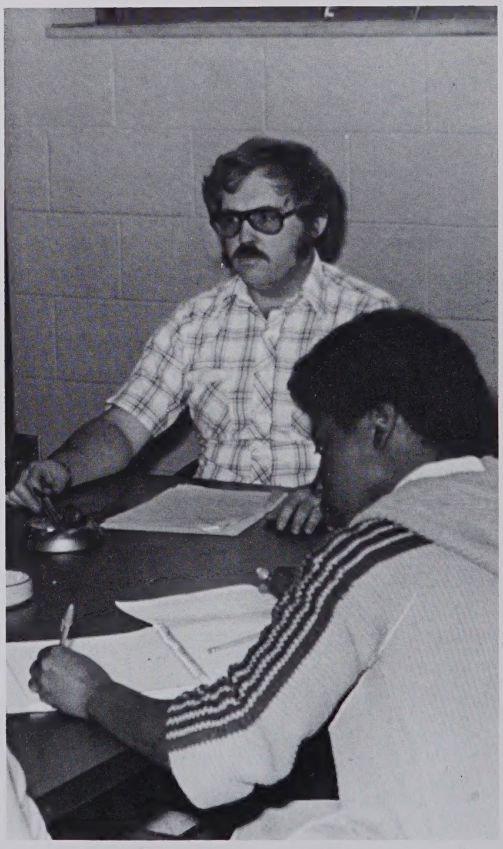
Take a walk past the old school-
Your mind is beginning to clear.

Your heart is now your best teacher,
And you learn more with each passing year.

Lothar Rush

DEDICATION





Mr. Bob Harrison gives his all to the welfare of this school and its students.

As busy as he is teaching, doing the **Viewpoint,** working with the Pen and Ink Club, and a million other things, he always has time to listen to our problems.

He never turns down a plea for help, but generously gives. It is with the greatest of pleasure that the Annual Staff and students of STC dedicate the 1979-80 "Open Door" to Mr. Bob Harrison.

APPRECIATION

Mr. Mel Wittekind points the way to the growth of STC. He continuously devotes his time and efforts to our school.

For his efforts at Conley's Creek and the new Southwestern Technical College sign, the Annual Staff and students of STC express a deep appreciation. Thank-you Mel.
